

Charalampos (Haris) Saroglou

CONTACT INFO

Address: Dept. of Geotechnics, School of Civil Engineering
National Technical University of Athens
17-19 Iroon Politechneiou Str., Zografou, Athens, 15780
Telephone +30 210 7722440 (GR)
Mob. +30 6932 280490 (GR)
E-mail: saroglou@central.ntua.gr; c.saroglou@imperial.ac.uk

EDUCATION

1998 Bachelor diploma in Applied Geology, University of Athens
1999 D.I.C., M.Sc. Engineering Geology, School of Civil & Environmental Engineering,
Imperial College, London
2000 M.Sc. "Design & Construction of Underground Works", School of Civil Engineering
& School of Mining Engineering, National Technical University of Athens
2007 Ph.D. School of Civil Engineering, National Technical University of Athens

ACADEMIC EXPERIENCE

2015 – present Senior Teaching & Research Associate, School of Civil Engineering, NTUA,
Greece
2014 – 2016 Visiting Lecturer, Department of Civil and Environmental Engineering, Imperial
College, London, UK
2013 – 2014 Lecturer in Engineering Geology, Department of Civil and Environmental
Engineering, Imperial College, London, UK
2006 – 2010 Part-time Lecturer, Civil Engineering Dept, University of Thessaly, Greece
2001 – 2013 Teaching Assistant, School of Civil Engineering, NTUA, Greece

INTERNATIONAL AWARDS

2016 Award of Visiting Fellow of Institute of Geology & Geophysics,
Chinese Academy of Sciences (CAS) under the President's International
Fellowship Initiative (PIFI)
2012 **Richard Wolters Prize**, International Association of Engineering Geology and the
Environment (IAEG).
<http://www.iaeg.info/about-iaeg/award-and-prizes/richard-wolters-prize/>
2009 **Academy of Athens Prize**, Honor in Mechanics "Theocharis"

PUBLICATIONS

2001– present 60 publications in scientific peer-reviewed journals and international Conferences.
Research with a strong scientific impact (Google Scholar: 230 citations – h-
index:7)

INVITED LECTURES – OTHER ACTIVITIES

| | |
|----------------|--|
| 2012 – present | Invited lectures in Scientific Conferences and Universities in Greece, UK, Canada, China, Italy, Bulgaria, Croatia and Serbia. |
| 2012 – present | Editorial Board Member in the Bulletin of Engineering Geology of IAEG. Reviewer for 10 Scientific International Journals |
| 2014 | Session Convener in 12th International Congress IAEG XII Congress, Torino, Italy. |
| 2010 – present | Active member in Scientific Commissions of IAEG (C29), ISRM (Commission on Soft rocks) and ISSMGE JTC1 (Landslides). |
| 2007 – 2013 | Elected technical Secretary of the European Committee for Standardization CEN/TC341 "Geotechnical Investigation and Testing". |
| 2001 – present | Participation in 12 research programs (in 4 as Principal Investigator) |
| 2000 – present | Member of academic & professional societies (International Association of Engineering Geology, International Society of Rock Mechanics, Geological Society of London, Institution of Civil Engineers, Greek Committee of Engineering Geology, Geological Society of Greece, Greek Committee of Large Dams, Greek Society of Tunneling and Underground Works) |

CONSULTING

Extensive experience in consulting in Civil Engineering projects (highways, tunnels, slope stability, dams) for projects in the public and private sector in Greece and UK.

Main expertise fields

Engineering behavior of rocks and rockmasses,
Weak rocks and complex formations,
Engineering geology of major infrastructure works,
Rock mechanics problems,
Geohazards and risk assessment (landslides and rockfalls),
Protection of Cultural Heritage sites.
