

CURRICULUM VITAE

Full name: OSIPOV Victor Ivanovich

Date of birth: April 15, 1937

Place of birth: Russia, Novo-Mikhailovka village

Present Occupation: Scientific Advisor, Sergeev Institute of Environmental Geoscience, Russian Academy of Sciences.

Education:

1954-1959: M.S. in Engineering Geology and Hydrogeology, Geological Department, Moscow State University.

1964: Ph.D. (Engineering geology), Moscow State University

1976: Sc.D. (Engineering geology and soil mechanics).

1969-1970: Visiting Research Associate, Department of Civil Engineering, University of California, Berkeley, USA.

Professional Experience:

1965-1977: Assistant and associate professor, Moscow State University.

1977-2001 - Professor, Moscow State University.

1980 Lecturing Professor, Department of Civil Engineering, University of Massachusetts, Amherst

1991-1996: Director, Scientific Center for Engineering Geology and Environment, Russian Academy of Sciences.

1999 Lecturing Professor, Delft University of Technology, the Netherlands

1996-2015: Director of Institute of Environmental Geoscience Russian Academy of Sciences (since 2008 – Sergeev Institute of Environmental Geoscience Russian Academy of Sciences)

2015-present – Scientific advisor of the Sergeev Institute of Environmental Geoscience Russian Academy of Sciences

Professional interests:

Engineering geology and soil mechanics

Global environmental problems

Natural and technological disasters

Geoenvironmental problems of megacities

Scientific and public professional activity:

Chairman, Scientific Council on Engineering Geology, Hydrogeology and Geocryology of Russ.Acad.Sci.;

Bureau Member, Russia National Committee of Geologists;

Chairman, Russia National Group of Engineering Geologists;

Vice-President (1986-1990), Council Member (now) of International Association of Engineering Geology and Environment (IAEG);

Editor-in-Chief, Scientific Journal on "Environmental Geoscience"(Geoecology).

Honorary titles and awards:

Correspondent Member of the USSR Academy of Sciences (1987-1991)

Full Member of the Russian Academy of Sciences (1991)

USSR State Prize Winner (1988)

Honorary Professor at Moscow State University (1999)

Honorary Professor at the Geological Institute, Academy of Science of China (1996)

Moscow Major Prize (2002)

National Ecological Prize (2004)

Russia State medal of the first degree "For great services to the Motherland" (2008)

State Award of the Russian Government (2008)

The highest Award of IAEG – Hans Cloos medal (2012)

Scientific and Technical Publications:

Author of 650 publications (among them 13 monograph and 20 patents of inventions in soil and rock engineering)
