

An Invitation to join the Commission work

Quarry visit by the members of IAEG Aggregate Commission
(Italy, September 2014)

Dear Colleagues:

We invite you to join the Aggregate Commission (Nr. 17) of International Association for Engineering Geology and the Environment (IAEG). Our contact persons are Engineering Geologist, civil engineers, mining engineers as well as other interested persons. We would like to include you among us. Researchers, students as well as scientists and other professionals interested in the aggregate industry are welcome to join.

Individuals interested in joining the commission works may attend to one of the information meeting, or may contact with Chairperson, at a very good opportunity to meet us is to attend our next meeting, in connection with the 35th International Geological Congress will be held in Cape Town, South Africa, on 27 August - 4 September 2016. (www.35igc.org).

Thank you for your interest in joining the IAEG Aggregate Commission.

Sincerely,

Prof. Dr. Atiye TUGRUL
Chairperson
