

China National Group of IAEG and Institute of Geology and Geophysics, CAS

In order to improve international communication in the field of structure and behavior of soil and rock mass, China National Group has proposed in 2010 to the executive committee and the council of IAEG to establish a special commission under IAEG. The council of IAEG has formally approved the application for setting-up a new commission named as COMMISSION FOR STRUCTURE AND BEHAVIOR OF SOIL AND ROCK MASS(C29) in Sep.5, 2010 during the 11th IAEG Congress at Auckland. We are pleased to appoint Prof. Hu Ruilin as the chairperson of C29, and Dr. Li Lihui as the secretary, and the committee relies on the Institute of Geology and Geophysics, Chinese Academy of Sciences.

Yours sincerely,

Carlos Delgado

Elected President,

The International Association of Engineering Geology and the Environment
