Professor Faquan Wu  
Secretary General of IAEG

Dear Faquan,

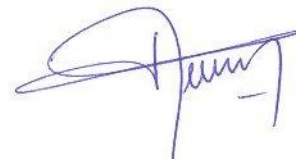

On behalf of the French group of the International Association of Engineering Geology and the Environment, I am pleased to renew my application for the position of treasurer of the IAEG for the period 2023-2026.

It was for me a great pleasure and honor to have being treasurer of IAEG during the last eight years. I think that I have ensured the smooth running of the association through a rigorous and sound management of its financial affairs.

All my objectives have been and will continue to guarantee stable finances of IAEG so that the influence of the Engineering Geology may prosper and develop worldwide.

I hope that the Executive Committee of the IAEG will consider my application and will give the French group of IAEG the opportunity to continue contributing to the running of the Association.
